SUMMARY

A passionate private instructor — bilingual in Arabic and English. Studied the Arabic language and Islamic studies at the collegiate level. An exceptionally motivated and well rounded individual with proven communication skills. Experienced in teaching and interacting with children of all backgrounds and abilities. Demonstrated the ability to foster safe learning environments and assist children in their growth and intellectual journeys.

PROFESSIONAL EXPERIENCE

Private Instructor

Self-employed

July 2021 - Present

Syracuse, New York

- Taught one-to-one distance classes at the elementary grade level in Qur'an memorization and the Arabic language.
- Performed needs assessments, planned lessons, and designed class material — adjusting content as needed.
- Effectively communicated class material via digital tools (e.g., Zoom, FaceTime) — meeting my student's needs.
- Fostered comfortable and safe learning environments — assuring trust and enabling intellectual growth.

VOLUNTEERING

Activity Planner

Aytamona

March 2016/2017

Taif, Saudi Arabia

- Collaborated in a group of four to organize a station at the fundraising event for the orphans of Taif.
- Delegated tasks to colleagues to ensure efficient operations and transitions among station functions.
- Led efforts in ticketing and marketing our station to families attending the fundraising event.

Organizer

18th Secondary School

April 2015

Jeddah, Saudi Arabia

- Coordinated with two others — organizing an event for children with Autism to exercise communication skills.
- Assisted in recruiting support, identifying venues, and raising necessary funds for our event and cause.
- Collectively coordinated with the Khadija Attar Center to agree upon itinerary plans and an event venue.
- Interfaced with teammates to catalogue, source, and prepare supplies — leading nearly one-third of the stations.
